Complete Me (The Stark Trilogy): The Stark Series #3

Synopsis

For fans of Fifty Shades of Grey and Bared to You comes the third novel in the erotic, fast-paced trilogy including Release Me and Claim Me. This sexy, emotionally charged romance continues the story of Damien Stark, the powerful multimillionaire who's never had to take "no" for an answer, and Nikki Fairchild, the Southern belle who only says "yes" on her own terms. "Our desire runs deep. But our secrets cut close." Beautiful, strong, and commanding, Damien Stark fills a void in me that no other man can touch. His fierce cravings push me beyond the brink of bliss - and unleash a wild passion that utterly consumes us both. "Yet beneath his need for dominance, he carries the wounds of a painful past. Haunted by a legacy of dark secrets and broken trust, he seeks release in our shared ecstasy, the heat between us burning stronger each day. "Our attraction is undeniable, our obsession inevitable. Yet not even Damien can run from his ghosts, or shield us from the dangers yet to come." Complete Me is an erotic romance intended for mature audiences.

Customer Reviews

I wanted to love this. I recently finished a series that put me through an emotional wringer, with characters I didn't bond with at first only to end up loving them passionately. Enough that I was truly upset and honestly a little depressed for a few days at the author's phoned in, ridiculously disjointed and insulting final installment to their story - that she made fans wait four years for. This series came highly recommended, but I experienced the same inability to bond with the characters as I did in the aforementioned series. I wasn't too worried until I still felt no connection at the end of the first book.

But I assumed that would happen in the second, the third for sure. It didn't. Nikki was annoying, Damien was one-dimensional and the sex was tiresome and frankly annoying. She was so SPINELESS. I hated that she never took the upper hand with him, that she submitted to his control and need to strip her wide open and helpless nearly every time - and she allowed it! It was rather cringe the way she knuckled under every time. A few times she tried to top him and I would get excited thinking we would finally get to see him unravel and open, but he would turn it around on her every time. The way she meekly accepted the way he liked to humiliate her made me hate her. I was indifferent to him. Damien had so much potential, but he was so poorly portrayed by the writer I couldn't even picture him in my mind. No wait, that's not quite true. Because of the description of Damien's eyes, I kept picturing David Bowie. And while I loved Bowie's genius, I in no way found him attractive or anyone I wanted to picture as a romantic lead. Damien was too in control all the time, too together. He never breaks.
