ASIN: B00113CMGU

Best Sellers Rank: #96 in Books > Audible Audiobooks > Language Instruction > English #254 in Books > Audible Audiobooks > Language Instruction > Other Languages #6529 in Books > Reference > English as a Second Language

Customer Reviews

"To Sherlock Holmes she is always the woman. I have seldom heard him mention her under any other name." Well this was a surprise; the classics and especially mysteries are not my usual fare but due to my recent obsession with the BBC series Sherlock Sherlock: Season Two (How yummy is Benedict Cumberbatch BTW?) and then watching Downey and Jude Law in the movie Sherlock Holmes: A Game of Shadows I realized that I had never actually read any of Conan Doyle's stories. After some research trying to figure out where to begin, I eventually bought The Adventures of Sherlock Holmes and settled on this story. And wow, I didn't expect to enjoy this half as much as I did (or at all for that matter) but I guess this is why Sherlock Holmes is still relatable today. I'd initially expected to have to put in considerable effort just to get through this, I mean it was written in 1892 so it was bound to be very, well literary. You know all formal and tedious. In fact I'd anticipated needing a dictionary just to be able to understand what the characters were talking about, but to my surprise A Scandal In Bohemia turned out to be an absolute delight to read. The actual story is quite basic yet also filled with complexities and hidden meanings and I would also have to call this a romance -of sorts.
