# 78 Duets For Flute And Clarinet: Volume 1 - Easy To Medium (No. 1-55) (Rubank Educational Library)

## Synopsis

(Ensemble Collection). A wonderful compilation of duets from Rubank, the two volumes presented here supplement musical development and provide a rich experience for growing musicians. Duet playing is often a student's first form of ensemble experience - technique, tone quality, intonation and balance are introduced as students do one of the things they enjoy most - making music with a friend. And duet playing leads easily and naturally to competent performance in larger ensembles. (Vol. I Easy to Medium, Vol. 2 Advanced)

## Customer Reviews

The level of difficulty is a bit higher than expected - definitely not beginner. Maybe late middle school for ambitious students. My middle schoolers have found a couple they will be able to do with work but none of these are easy.

Outstanding learning book. Keys follow Rubank Advanced Method Vol I books. Allows for concurrent study of these keys while providing opportunity for flutist and clarinetist to play with other instrument. Highly recommended.

I bought this book to use for clarinet and recorder. It is challenging, and my friend and I have been surprised at how good the instruments sound together--when we are together.

I got this duet book for my twin daughters age 10 for Easter. They both like it very much and it allows them to play the same song, but different parts.
