Customer Reviews

I love this Neville book. Your imagination is so powerful and you can use it to create your heart's desires. The testimonial stories are very inspiring. It's a nice book to have at your bedside, because that is when you will need it to create your dreams. I love the information on revising past inharmonious situations. It is such a blessing to be able to see old unfavorable situations in a new light. Sweet dreams!

I thoroughly enjoyed reading these stories that demonstrate successfully using one's imagination to create experiences in keeping with desires. They may not be from our current times, but are universal and timeless. I feel Inspired to apply these examples to my own life. I am also a student of Abraham as taught by Esther Hicks and these examples fit perfectly with those teachings.

I really learned a lot. Hope I can be successful in applying this information. His books are unlike anyone else's. Thank you.

Very helpful examples of the Law in action. There is always something to glean from Neville's words, but this book, gave very practical advice. I recommend it highly.

I was truly enlightened. Something so simple yet so profound. I can't wait to try it. Everyone should read this book.
