Customer Reviews

The Rubank Supplemental Studies is a great book to accompany the Rubanck lintermediate and Advanced books. These studies allow students to improve their sight reading by using a variety of keys, tempos, rhythms, and range. I was delighted to acquire a copy of this book.

Each exercise exposes specific skill that is needed to advance to next level. Well worth every penny.

The perfect little book to work on piccolo for those who are just beginning to play this demon of the high register.
