Hal Leonard Essential Elements 2000 Plus Percussion Book 1 With CD-ROM

Customer Reviews

This is the book that my daughters band teacher requires and I got it on here so I could save money and I thought it would be kind of ragged out but it wasn't. It was in like new shape. Thank you so much!

This band book was just what my granddaughter needed and wanted.

Just what my daughter needed for school and at a great price.

perfect for the beginner
