What a fun book !! Playable for advanced beginners and beyond, it is a wonderful, nostalgic yet hip collection of some of the best of the 60's music. The arrangements sound fantastic on the harp and this book is guaranteed to make you and your audience smile.

Daughter started playing the harp wanted other ideas for music. ta da! she thinks it is cool. and

oddly so do I. you will love it if you like that kinda music!!!

Great songs! It's a little out of my skill level for now, but I'll grow into it! One step at a time!

Sylvia always has great harp books. I have a few of them and I'm really happy with them all.
