# The Five Crayons: Berlitz Kids French, Adventures With Nicholas

## Synopsis

Berlitz Kids' The Five Crayons is the introduction to the Adventures with Nicholas series. Featuring easy French vocabulary and simple sentences, this story teaches colors, numbers from one to ten, rooms and furniture, animals, weather expressions, means of transportation, location words, and more. The 60-minute program offers a catchy, thematically related song for each chapter. Listen to the audio story and sing along with each of the songs: it's a fun learning experience for students, parents, or teachers.

## Customer Reviews

All of the 3 French Nicholas stories are really fun but the Five Crayons is an especially good one. The little stuffed dog is just the right size to hold while reading the book and makes the story even more fun as the child can pretend that 'HE' is doing the talking. A terrific gift set for any child learning French and the CD will help them get the right accent.
