O2659X - Foundation Studies For The Viola - Book 1: 60 First Position Studies (from Op. 45, 54, 74) - Book & DVD

Synopsis

Our new edition of the famed Wohlfahrt Etudes is a masterclass in book form by violin all-star Rachel Barton Pine. She discusses dynamics, augments Wohlfahrt's own bowing suggestions with her own, and provides solid advice for approach to the Etudes. With all of this, the book includes a DVD with performances of all Etudes by Matthew Lipman and MP3 tracks for study. Not just a new edition, Pine's approach to Wohlfahrt is holistic guidance to ensure the best possible use of this standard pedagogical foundation.

Great instructions for a beginner or even someone that has been away from their instrument for a long time. Having the cd made it nice to hear what it should sound like compared to what was being played... as a parent and not a student... that was more helpful to me than my child. I listened in the cd and away from home/in the car, as instructed by the music teacher she asked that we not play it until 80% of the instruction was complete manually. And WOW, by the time we got to that point, the student was allowed to hear it, it was like the lights came on and all the instruction just came together.

This book has improved my counting, bowing, and accuracy in Viola. If you enjoy playing the Viola and want to get even better, by this book. It has a great selection of different Etudes that start easy and get more difficult. Buy this book!

It arrived a day early!! So that's always a plus. It does come with all 60 etudes, so don't worry about

it being the version with only 30 etudes for book 1 and the other 30 for book 2--it's all here. HOWEVER, there is one major flaw in one of the pieces in this book. #20 (Op.45 No. 22) was written for violins!!! I can clearly see that the lowest note for this piece reads as an open G for violins. The editor failed to translate it from treble clef to alto clef! I hope that your copy of this book does not have this flaw. It is such a nuisance to have to translate it myself.
