Customer Reviews

If you're looking for a Disney recorder book, this is the one you want. The arrangements are good, and it has the chords. The other similar book with the red or pink cover doesn't have the chords. My wife and I like to play ukulele and ocarina together and having the chords with the music really helps. I haven't tried all the songs but Under the Sea is perfect and I started doing A Whole New World and that one seems good too. And in both cases there is no high F so both songs work for a C ocarina.

I bought this for my granddaughter (9) who is a huge Disney fan. There is a fingering chart inside the back cover which is a plus. Music is clean/clear/easy to read. My rating of three stars instead of five is because the words are not included with the songs. Disney issue, not vendor's. The book arrived in pristine condition.

Great!
