The best way to learn French is by listening to short stories. The problem? You might feel like you don't know where to start. And that's exactly why we created this book. We know how difficult it may seem to learn a foreign language from scratch, let alone trying to put all that learning into practice. Short stories work because they eliminate the stress of forcing yourself to learn. Your goal is to simply focus on a single story at a time. The stories comprise multiple genres, including adventure, fantasy, mystery, romance, just to name a few. We wanted these stories to be fun, interesting, and appealing, motivating you to keep on listening to find out what happens next. That's the very best way to learn, don't you think?
