Synopsis

Create a Capsule Wardrobe: Look Great and Elegant with Your Minimalistic and Super Organized Capsule Wardrobe Fashion has greatly influenced lives of all people that it even remotely touches. Whether you are a high school teenager or a career oriented business person with a high powered job, fashion and trends influence what you wear, how you dress and how you choose to present yourself. In the world of first impressions, body language and presentation, it is of prime importance to give a thought to building your closet. With clothing trends changing from every spring to every fall it becomes a difficult decision to choose where and how to spend your money. Well, no more worries! The answer to that daily problem faced by almost every single one of us is right here: Capsule Wardrobe. The term coined by Susie Faux and popularized by Donna Karen holds the mantra of efficient dressing. The basic idea behind the concept of capsule wardrobe is to design your wardrobe around the kind of pieces that never go out of style. Ever green classics like skirts, jeans, blouses are foremost examples of typical items that constitute the capsule wardrobe. However, the task might seem overwhelming. It might seem hard to decide what to pick if you are only going to be picking a few essentials to dress for a while. This is where we come in. This book contains precise guidelines that will make it very easy for even a beginner to design a capsule wardrobe. From picking out essential items to pairing it in different ways according to season, we have covered it all. You will find in this book the guidelines to getting rid of and decluttering your existing wardrobe. Moreover, you can also use this book to learn not only how to create a capsule closet but also about how to use that wardrobe and dress on different occasions using the items from your capsule wardrobe. The reader will be able to declutter, design and dress with the help of nothing but the precise guidance from this book. In the interest of precision, the topics in this book have been divided into reader friendly chapters which are as follows: Chapter 01: Essentials of Capsule Wardrobe Chapter 02: How to declutter your wardrobe Chapter 03: Wardrobe Staples and Essential Items Chapter 04: How to Look Elegant with Minimalistic Wardrobe Chapter 05: Dressing on Special Occasions with a Capsule Wardrobe Download your E book "Create a Capsule Wardrobe: Look Great and Elegant with Your Minimalistic and Super Organized Capsule Wardrobe" by scrolling up and clicking "Buy Now with 1-Click" button!
