Rod Platinum - Nite Nurse: A Chasin' Tale

Synopsis

Rod Platinum's Chasin' Tale Series contains mature content, and is suitable for adults only! As head of the elective surgery unit of one of Houston's largest metropolitan hospitals, I get to spend my evenings with our administrative nurse, basically going over previous day's events. Usually this session, you know - tallying no-shows, reviewing post-op prognosis - goes way into the wee hours of the night. And it's usually the last thing I do before heading home for some much needed sleep each day. Of all of my daily tasks at the hospital, this is usually the most mundane - me just sitting there nodding my head until we're done. That all changed when I arrived in the day-surgery wing this past Tuesday, and discovered, instead of 50-something Barbara our usual administrator, there was a temporary replacement - Tammy.
