## Customer Reviews

This is a compelling story of Marcus who grows up on a farm, with pigs, horses, and chickens. This is a child story, Minecraft and you will be happy to read what conspires in the story. You can also buy this kindle for your children and they will for sure appreciate the book. The language used is simple and straightforward.

Such a cool idea! I wish the whole world could experience the heart of this book. It's a diary of a wimpy kid, only for the Minecraft generation. Even if you're not a fan of the series, you can appreciate the humanization of this 8 bit villager and his pig. This is a must read for anyone looking to smile!

I don't understand why someone gave this book 1 star. It is well written, has a great moral to the story and was very engaging. Lots of adventure, too.. I really like the play on "Diary of a...". I can't wait to read the other ones by this author!

I really liked the ending but when I was reading the title I thought there was gonna be a boy who will have his pet pig and they will have epic adventures throughout the book but 5 stars was really good since it made the wizard disappear magically.

My son really liked this story; he said it was "amazing." I knocked off a star because there were a number of typos in the book.

i haven't read it yet but Billy Miner is a awesome author. I've read a bonch of his books.hi villager jump Microsoft
