## Customer Reviews

Phil Coulter is a master! This book is an excellent collection of his own original piano pieces and arrangements of traditional Irish tunes. Especially enjoy playing "Flight of the Earls" "Steal Away"and "Mary from Dungloe" For interesting variation, take the c and g sharps out of Dungloe's key signature and play the notes straight as though the piece was in the key of G, turning it into a hauntingly beautiful minor sound. I admire Phil Coulter greatly and this is a great collection for the amateur pianist. Buy it! (Watch out virtuosos-not very challenging music, but it doesnt need to be; it's glorious!)

I have enjoyed many hours of playing piano since receiving this book. The pieces are not difficult but oh so beautiful. The title "Tranquility" sums up the songs in this book. If you enjoy celtic music you will not be disappointed with this purchase.

This collection of piano music is perfect for the late intermediate to early advanced pianist, or an

advanced pianist looking for some pretty sight reading music. The songs are a combination of some Phil Coulter original compositions and some arrangements of traditional Irish pieces. This is not the collection for a St Patrick's day sing along, but you will enjoy if you love traditional Irish sounding music.

My sister asked for this music as her Christmas present this year and I was quick to grab that opportunity. Not only does she get something she's been wanting, but I get the chance to hear her play Phil Coulter's music. Can't get any better than that. If you are not familiar with his work, it's time you do.
