## Customer Reviews

I bought this book about a week ago and i learned a lot of new things about electric guitars and how to play them. Plus TEB has some of the best guitars and talented musicians out there right now. Their songwriting and beats are awesome too. So.....this is one of the best guitar books that are probably available for guitar players, especially the electric guitar players. But it also has the chords for acoustic players to go along with it. These guys are awesome guitar players and musicians so if you like guitar BUY THIS! And if you like the music you play buy their cd's too.
