Star Wars: The Thrawn Trilogy, Book 3: The Last Command

Synopsis

The embattled Republic reels from the attacks of Grand Admiral Thrawn, who has marshaled the remnants of the Imperial forces and driven the Rebels back with an abominable technology recovered from the Emperor's secret fortress: clone soldiers. As Thrawn mounts his final siege, Han and Chewbacca struggle to form a coalition of smugglers for a last-ditch attack against the empire, while Leia holds the Alliance together and prepares for the birth of her Jedi twins. Overwhelmed by the ships and clones at Thrawn's command, the Republic has one last hope: sending a small force, led by Luke Skywalker, into the very stronghold that houses Thrawn's terrible cloning machines. There a final danger awaits, as the Dark Jedi C'baoth directs the battle against the Rebels and builds his strength to finish what he had already started: the destruction of Luke Skywalker.

Best Sellers Rank: #51 in Books > Audible Audiobooks > Science Fiction > Adventure #81 in Books > Audible Audiobooks > Fiction & Literature > Action & Adventure #195 in Books > Science Fiction & Fantasy > Science Fiction > Space Opera

Customer Reviews

The Last Command is the third book of the Trawn trilogy, which takes place a few years after "Return of the Jedi". In this final installment of the series, full-scale war has reignited in multiple sectors across the galaxy, and the Empire is regaining control of planets necessary for reestablishing system dominance. The brilliant part about this final book is we get to see Grand Admiral Thrawn demonstrate his full tactical genius in combat as the Empire's chief of command. Not only has he managed to make massive restorations to the Empire's fleet through expert covert operations resolved at the end of the second book, "Dark Force Rising", he is also able to utilize his gains with surgical precision and efficiency. My favorite part is that Thrawn establishes himself as a

villain that you come to respect and believe in! Not only is he clever and effective he is also respectful to his crew and subordinates. One may argue that this is because the insane Jedi Master C'baoth is seeking to gain supremacy over the Empire and establish himself as the new emperor. Thrawn is placed in a difficult position of having to guarantee the loyalty of his soldiers by maintaining troop morale, and establishing mutual respect while C'baoth uses his dark powers of manipulation in an attempt to subvert Thrawn's hard-earned authority. This is, by far the most complex and compelling villain dynamic I have yet seen in a star wars storyline!The situation with the rebels is also brilliantly executed. Mara Jade must carefully navigate her shifting allegiances as she struggles with her own challenges both internally and with her continually shifting circumstances. She must find a way to resolve the awful spell that palatine beset upon her, compelling her to kill Luke Skywalker in vengeance.
